Complaints and Appeals Policy and Procedure

1. Policy

Complaints and appeals are managed by the RTO ensuring that the principles of natural justice and procedural fairness are adopted at every stage of the complaints and appeals process. The RTO will create an environment where learner’s views are valued. This policy and procedure will be made publicly to the School community by being made available on the RTO’s website and in materials provided to learners on commencement of enrolment. In the case of delivery through third parties, the material will be made available to the learners through the third party.

Monto State High School ensures that all complaints and appeals will be heard with resolutions reached within 60 calendar days where possible. In the case of the time frame being longer than this, the RTO will communicate with the complainant/appellant why the process is taking longer and an estimated timeframe for resolution as well as being kept informed regarding ongoing progress.

Details of all complaints and appeals will be securely maintained in a Register of Complaints and Appeals and will take appropriate corrective action to eliminate or mitigate the likelihood of reoccurrence.

2. Scope

This policy and procedure covers:

- The RTO, its trainers, assessors or other staff;
- A third party providing services on the RTO’s behalf, its trainers, assessors or other staff; and
- A learner of the RTO.
