Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

**DATA Analysis and Action Planning for Student Success**

- Established Professional Learning Teams for Literacy and Numeracy to review NAPLAN/LOA data and to identify students at risk of not achieving School and National Targets
- Development of Individual Student Action Plans to address L2B and U2B targets
- Developed and embedded Whole School Literacy and Numeracy Program focused-teaching strategies
- Established Student Attainment processes to monitor students progress in the completion of QCE/QCIA requirements

**Quality Teaching Practices**

- Provision of a structured Professional Development program to provide all Staff with professional learnings in Quality Classroom Practices
- Establishment and use of Classroom Profiling as Coaching and Feedback Model with all staff trained in Classroom Profiling strategies
